

**God's Way Is The Right Way**

(Romans 9:30–10:13)

Intro: Paul pointed out in our previous study, Romans 9:14-29, that the Jews were God's chosen people. He had elected them according to His sovereign will. However, in spite of all their marvelous privileges, the majority had repeatedly chosen to reject Him. Why? Because they rejected God's gracious gift of His Son, and attempted to please Him with works of self-righteousness based on Law-keeping.
