

The Joseph family, Abraham, Laura, Abigail (6) and
Andrew (3)

Abraham has been serving with the Asian Christian Academy in Hosur, India (a town near the large southern Indian city of Bangalore) since he graduated from Dallas Theological Seminary in May of 1998. He met, courted, and married Laura, who had come to serve as a teacher at the Asian Christian Academy. After several years of serving together, and adding two children to their family, Abraham and his family returned to Dallas Seminary to earn his Ph.D. in Theology. He has completed his course work and exams, and upon the successful completion of his dissertation will be returning to Pastor a church in Bangalore City and to direct the doctoral program at the Asian Christian Academy.
