

# *God's New Year*

(Exodus 12:1-36)

Intro: Permit me to wish each of you a *Happy New!* What is New Years truly about from God's point of view? What does God want from us this New Year? I would like for us to answer this question from the story in **Exodus 12**, which records the time when God introduced a New Year for the people of Israel. It was on this occasion that God instituted the Passover Feast, which provided redemption and refreshment, and called for readiness and remembrance on the part of His people Israel.
