

A Mother's Day Praise

Proverbs 31:10-31

Intro: Our study this morning is devoted to offering up a special note of praise for our mothers. Our text is taken from Proverbs 31:10-31, a poem praising the **woman/wife/mother of noble character**. A careful reading of this passage will show that her value is derived from her possession of godly wisdom (v. 30), which proves beneficial to her family and to the community as a whole. **Jewish husbands and children traditionally recited this poem at the Sabbath table on Friday evenings.**
