

Israel's History from the EXODUS to the Establishment of the Monarchy

The turbulent period of the Judges in Israel lasted for 350 years, until Samuel appointed Saul as the first King of Israel.

Saul was the peoples choice!
David was God's choice!

Following the death of King Solomon in 931 B.C. the Kingdom of Israel divided in two. Jeroboam I lead the 10 Northern Tribes in a rebellion against Solomon's son, Rehoboam of Judah. This resulted in the founding of the 10 Northern Tribes, thereafter referred to as Israel. King Rehoboam of Judah was joined by Simeon and became known as the Southern Kingdom of Judah.
